

*The  
Positive Black Images  
Retail Brochure*

A group of people, including a man in a red shirt and a woman in a yellow shirt, standing together indoors. The man in the red shirt is in the foreground, looking towards the camera. The woman in the yellow shirt is to his right, also looking towards the camera. Other people are visible in the background, some wearing hats. The setting appears to be an indoor space, possibly a stage or a hall.

A woman with dark hair, wearing a light-colored, patterned top, is applying a white, textured facial mask to the face of a man. The man is lying down, and his face is the focus of the application. The background is a plain, light-colored wall.

An elderly woman with white hair, wearing a bright red dress and a white hat, is pushing a vintage-style push mower across a green lawn. In the background, there are several white houses with dark roofs and large trees, suggesting a suburban neighborhood. The scene is captured in a slightly grainy, vintage-style photograph.
